Property Description

Duncan Chapel Rd | Bowman, SC 29018

±48.39 Acres with Exceptional I-95 Frontage | Prime Lowcountry Opportunity

Positioned along one of the Southeast's most heavily traveled corridors, this 48.39-acre tract offers a rare combination of visibility, accessibility, and versatility. With approximately 1,077 feet of frontage on I-95, the property delivers outstanding exposure along a major interstate artery connecting Charleston and Columbia.

The land features ±20.24 acres of productive farmland, ideal for continued agricultural use or future conversion, complemented by a beautiful balance of hardwood and mixed timber that enhances both privacy and recreational appeal. Additional access includes ±1,030 feet of frontage on Harts Road and ±1,115 feet along Duncan Chapel Road, providing multiple points of entry and flexible layout options.

Strategically located approximately one hour from Charleston's CBD and one hour from Columbia, this property benefits from strong regional connectivity while maintaining the character and space of a rural setting.

Offered at \$22,732 per acre, this tract is well-suited for a variety of uses including agricultural operations, recreational enjoyment, long-term investment hold, or potential development (subject to zoning).

Properties offering this level of interstate frontage, accessibility, and scale are increasingly limited—making this an exceptional opportunity in a high-visibility growth corridor.
