## Sec. 506. Town center:

### 1. Authorized Use Groups:

- A. Authorized uses are categorized by use groups. Use groups generally contain similar types of uses in terms of function, character, and intensity.
- B. Use groups are designated in locations within each district based on the regulating plan. Use groups are classified in the following manner:

  - (3) Prohibited Use Groups: These use groups not indicated as permitted are prohibited in the locations specified.
  - (4) Uses permitted in all locations include public parks and essential public services.
  - (5) Similar Uses: If a use is not listed but is similar to other uses within a use group, the Zoning Administrator may make the interpretation that the use is similar to other uses within a use group.

The Zoning Administrator may also make the determination whether the use is permitted as of right, permitted in upper stories only, or permitted as a special land use.
